# Elevate Your Financial Advisory Practice with Velociti Short-Term

*Unleash New Opportunities and Benefits*

## Introducing Velociti Short-term

Are you a financial advisor looking to take your short-term practice to the next level? Joining Velociti Short Term could be the game-changing move you've been waiting for. With an array of unique advantages and a diverse range of services, Velociti Short-Term opens the door to a world of opportunities for financial advisors like you.

## Why Velociti Short-Term Stands Out:

### 1. Access to Unmatched Binder Arrangements:

- Velociti Short Term has formed exclusive binder arrangements with five prestigious insurers: Hollard, Santam, Safire, and Lombard Insurance. This collective strength, with over 10,000 clients, sets us apart in the industry.
- No other Financial Services Provider (FSP) can boast access to all these binders collectively, allowing us to offer multiple insurance options to your clients without sacrificing our ability to assist with claims and policy pricing.

### 2. Trusted Advisor Relationships:

- Our dynamic team at Velociti Short Term has cultivated relationships with advisors who previously didn't specialize in the short-term insurance space. This means we can now provide the necessary services and solutions to practices in need.
- Joining Velociti Short Term gives you access to this network, empowering you to broaden your client base and enhance your service offerings.

### 3. Co-Ownership and Value-Added Products:

- At Velociti Short Term, we believe in co-owning and co-building value-added products for our clients. Our collective scale enables us to develop Velociti-branded products that complement their existing insurance solutions.
- This unique approach sets us apart from the competition and allows you to offer clients tailor-made solutions that add significant value.
